WELCOME TO THE ORANGE COUNTY ARTISTS GUILD OPEN STUDIO TOUR

November 2-3 AND November 9-10, 2019

95 members of the Orange County Artists Guild will open their studios, for your visit, the first 2 weekends of November. We look forward to seeing you, and sharing our work and our studio spaces. We love to talk with you about our art, and the many ways we create it. For many of us, this is a once-a-year opportunity to exhibit and sell our work. We appreciate browsers as well as buyers.

We hope you'll feel welcome to explore the work of the artists composing our 25th Annual OCAG Open Studio Tour.

HERE'S HOW IT WORKS:

- 1 The studios are open the first 2 weekends of November: SATURDAYS from 10 AM to 5 PM & SUNDAYS from 12 PM to 5 PM. Note: Some studios are open only one weekend as indicated inside.
- 2 Look through this brochure and select images of artworks that interest you. To see more work by a particular artist, go to www.ocagnc.org and view the OCAG Gallery Pages. Many artists also have their own websites, which are listed in this brochure.
- 3 Plot a journey with our handy map to see the artists you wish to visit!

Orange County, NC is proud to feature some of the best food and drink experiences in the region. Our cuisine has been featured in the New York Times and Bon Appetit magazine dubbed Chapel Hill "America's Foodiest Small Town".

Across the county our local chefs take pride in a farm-to-table philosophy. Many of our favorite restaurants only source local, in-season ingredients to create a truly world-class cuisine that's firmly rooted in Orange County, NC. And it's not just our food, we take our drinks very seriously here. Handcrafted cocktails featuring local ingredients (and local spirits!) can be found across the county. We are proud to be home to several great breweries and our bars stock a wide selection of local, regional and specialty beers.

On top of all that, we have an energetic local music scene that's launched some of the biggest names into stardom. For a couple of small towns, we're kind of a big deal.
